

# WARRIOR TRAILS

By Robin Newcomer

Have you noticed a lot of people wandering around campus, peering in doors, and watching classes at work? If you think we've been under observation, you're right! The Western Association of Secondary Schools and Colleges sent an evaluation committee to West to spend three days appraising our school. If the school meets certain standards we will be given the privilege of being named on a list of accredited schools.

The West High School Choir will be giving a concert in the library April 5 and 6. Don't miss out on hearing the choir, directed by Mr. Donnelly Fenn, sing many of your favorites. Tickets can be bought for 25 cents with an ASB card and 50 cents without a card.

DO YOU have a scientific mind? If you do, the annual science fair, will give you the chance to display your scientific talent. Awards will be given to the best entries. The fair will be held at Torrance High School April 13 and 14. Start those wheels turning and begin your project today! Seniors! Don't forget to return your summary form to the annual staff. These forms aid in making up the list of your activities and the awards you received during your years at West.

THE BASKETBALL and wrestling banquet is being held tonight at 6:30. This dinner honors the athletes who participated in both sports. The boys will also be receiving awards earned during the past season of playing their sport.
